32.5m *Ribelle* - A Winning Design

There was close competition between the yachts in the Supermaxi Class all week, but *Ribelle's* win on day four of the Maxi Yacht Rolex Cup secured her the regatta title, with one race still to run.

***Ribelle's* owners and YCCS members, Paola and Salvatore Trifirò, commented:**

"We wish to thank everyone who contributed to make this edition of the Maxi Yacht Rolex Cup as splendid as ever. Our victory is the fruit of a long and complex process that brought us to build a very innovative yacht. But we never would have gotten this result without the hard work of an exceptional team made up of some of the best sailors in Italy. We are very happy."

Photos of *Ribelle* and her winning crew captured during the Maxi Yacht Rolex Cup, held at the YCCS in Porto Cervo last week.
